## DISPLAY TABLE

We need items for the Display table at the Federation show in Topeka. We have some items on hand but need some items from all our members. Whatever you have in that box on the shelf, break it out & bring it to the meeting. We will take it down to the show & bring it back. Also if you have any entries to submit, bring them along, properly tagged & we will haul them down & back too, to save you postage.

## TOOLS

Don't forget to bring your tools and materials on the project you are currently working on. This way, we share ideas from each other. Just a simple comment or demo can clear up someone's doubt that lingers in the back of one's mind.
